EMPLOYMENT & WORK EXPERIENCE

Day of AI Australia

Software Engineer

Sydney, NSW

September 2025 - January 2026

- Designing and developing complex, interactive systems, utilising React to create engaging Generative AI-powered experiences for high-school classrooms.
- Developing solutions across the full software development lifecycle, including graphical user interface (GUI) and user experience (UX) development.
- Collaborated with other developers through Git version control and Agile development practices.

ARC @ UNSW

Clubs and Grants Officer

UNSW, Sydney

December 2022 - December 2023

- Processed 400+ reaffiliation applications through Salesforce.
- Reviewed and actioned 1000+ grant applications for events and materials for clubs.

PROJECTS

Pyramid Puzzle - <https://pyramid-puzzles.vercel.app/>

August 2025 - January 2026

- A game built for Day of AI to teach Australian high school students about AI - exploring how computers understand input and produce output to understand whether they can be trusted or could ever become conscious
- Built with a React front-end and Vercel serverless back-end for integrating an interactable AI assistant

LongLingo: Chinese Flashcard App - <https://shorturl.at/5pKn2>

December 2026 - April 2027

- Combines the gamified learning of Duolingo with the flashcard mechanics of Anki
- Used React Native, Typescript and Tailwind to create an intuitive UX that makes daily use cognitively easy
- Leveraged AI API's to create the images and generate data for the vocabulary as well as to support development.

VOLUNTEERING EXPERIENCE

Arts, Design, and Architecture Faculty Society

President

UNSW, Sydney

November 2023 - November 2024

- Organised a team of 60 volunteers, hosting fortnightly meetings, training sessions, and internal events.
- Hosted the inaugural 'ADA Carnival' with faculty and other society support, which featured a dozen stalls, food vendors, music acts, and was attended by over 2,000 UNSW students and staff. Won 'Best Large Event of The Year'
- Hosted the society's first interfaculty camp which lasted 3 days and orientated 120 first-year ADA students.

United Nations Youth

Evatt (Model United Nations) Convenor

NSW

January 2022 - July 2022

- Led a team of 4 to contact dozens of schools to host competition rounds and sign up students to participate. Over 20 schools and 600 students participated in the competition from Sydney Metro to as far as Dubbo.
- Organised sponsorship with Officeworks and Subway, as well as getting a speaking engagement by a NSW MP at the final round in NSW Parliament House.
